

## ENDORSEMENT ALERT

### *Pipefitters Local #208 Endorses Leiker for Denver '23*

Dear Travis,

I am excited to announce Denver Pipefitters Local Union #208 has endorsed my campaign for Denver City Council At-Large in 2023. Three months ago, I launched my campaign with a pledge to assemble a broad, diverse coalition of support. This endorsement shows we are delivering on that commitment.

**[Join the pipefitters, first responders, entrepreneurs, educators, artists, and others. Support our campaign today!](#)**

Here is what Gary Arnold, Local 208 Business Manager, had to say in today's announcement:

*"Denver Pipefitters Local Union 208 is pleased to announce our support of Travis Leiker for Denver City Council At-Large. Pipefitters Local Union 208 works to provide its members with a quality of life characterized by respect, opportunity, and socio-economic security and self-sufficiency. At a time of significant challenges in Denver, the next city council will have a unique opportunity to impact the lives of hard working Denverites. We need thoughtful leaders who will include the voices of working men and women in the decision making process. We look forward to standing shoulder to shoulder with Travis Leiker over the next 10 months to help him get elected,*

*and then we will partner with him in the following years to shape the future of the Mile High City."*

I am amazed at the incredibly important, hard work that our pipefitters perform to keep our city moving, and I am honored to have earned their support. Pipefitters are not only training an essential part of our workforce, but they also advocate for a safe working environment, livable wages, and a reliable retirement.

This endorsement shows the growing momentum for our campaign. We have more work to do, and I need your help over the next 10 months.

Join me today. And together, we can get Denver moving forward once again.

With gratitude,

Travis

P.S. [Please chip in \\$52.80, \\$100, \\$250, or \\$350 today and let's keep up the momentum. For residents of Denver, the first \\$50 will be matched by the Fair Elections Fund by 900%.](#)
