Colorado Pipe Industry Annuity and Salary Deferral Trust Fund**

**Re: New Administrator Effective March 1, 2020**

The Board of Trustees created the Pipe Industry Administration Company, LLC (PIAC) to specifically service the Pipe Industry Health and Welfare Fund of Colorado and the Colorado Pipe Industry Annuity and Salary Deferral Trust Fund. PIAC will operate as a self-administered Fund Office dedicated exclusively to the Colorado Pipe Industry Trust Funds and PIAC staff will be subject to the Board's oversight. Effective March 1, 2020, PIAC will replace WPAS as Administrator.

Your health and prescription drug coverage will continue through Cigna and Annuity will continue through Wells Fargo Institutional Retirement & Trust (Principal Financial Group). If you are currently making COBRA self-payments to the Pipe Industry Health and Welfare Fund of Colorado, PIAC will be mailing you payment coupons in March 2020.

Beginning March 1, 2020, you can contact the PIAC Administration Office at:
